Easter

Egg Drop - 2024

In the spirit of Easter, the OLLY team set off on a delightful journey with the much-anticipated Easter Egg Drop.

Our OLLY Bus, brimming with enthusiasm, weaved through communities to bring a burst of joy and a gift of Easter eggs to many cherished members.

This collage is a window into those cherished moments of surprise, and the bright cheer of the Easter season.

We're sending out a huge **thank you** to all our supporters and the amazing volunteers who breathe life into this joyful event year after year.

Your kindness and commitment are the heartbeat of our mission, spreading happiness and a sense of belonging to those who treasure it the most.
